

## Brewery Liaison Coordinator (BLC) Positions Available

Are you interested in your regional breweries and beer?

Do you enjoy tracking which beers are brewed by whom?

Do you have a computer and an interest in maintaining data?

Do you have experience using *Pilgrim*, also known as CAMRA's Brewery Information System?

If the answers are yes, then you could be just the person we are looking for in Brewery Liaison!

As a Regional or Area Coordinator, you will work with Brewery Liaison Officers to ensure that the correct data is recorded against the breweries in your patch.

Your fellow Brewery Liaison Coordinators will provide good support for you, as together you form the Brewery Liaison Advisory Group.

The four positions currently available are in the following regions:

- East Midlands
- Cheshire (not Merseyside)
- East Central and
- West Central

You can read the Role Guidance document [here](#):
