

CAMRA Licensee Panel volunteer opportunity

We are looking for licensees from across the trade to join our new Licensee Panel. We are recruiting licensees from a variety of operating models including, but not limited to:

- Freehold
- Tenanted tied
- Tenanted free of tie
- Managed
- Franchised/retail agreements

You will join other licensees and trade representatives to discuss issues facing the licensed trade, help find campaigning areas of joint concern to licensees and consumers and give feedback on CAMRA campaigns from a trade perspective.

About the Licensee Panel

The panel will be a dialogue between CAMRA and licensees so that issues of mutual concern relating to the licensed trade can be discussed and understood, and will help us get feedback from licensees on CAMRA's campaigns.

We are recruiting up to eight individual licensees to join the panel.

The full Terms of Reference for the Licensee Panel are [here](#).

Time commitment

Core commitment of 2 hours per quarter for a daytime meeting (via Microsoft Teams). Occasional correspondence between meetings via email.

How to apply

Email campaigns@camra.org.uk with a short bio for yourself, including the type of pub(s) you run (and any you may have run in the past), and set out why you would like to join the Licensee Panel.

We'll be closing applications on Monday 29 June.
